Course Content Summary**

Course Prefix and Number: FRE 101 **Credits:** 4

Course Title: Beginning French I

Course Description:

Introduces cultural awareness, listening, speaking, reading, and writing skills, and emphasizes basic sentence structure. Incorporates exposure to the arts, culture, and literature of the areas of the world where French is spoken. May include one additional hour of oral practice per week. Part I of II.

Present simple, basic information on very familiar topics orally and in writing using practiced or familiar words, simple sentences, and phrases.
Create oral and written messages in contexts relating to basic biographical information.
Produce understandable words and phrases both orally and in writing in frequently practiced questions and statements.

Intercultural Communication

Show awareness of the most obvious cultural differences of the countries that speak the target language.
Identify products and practices to help students understand perspectives in native and other cultures.

Major Topics to be Included:

-
